# AAP - Architectural Adapter Plates

AV, Data, Power, and Control Connectivity for Wall Mount, Furniture Mount, and Floor Mount Applications

DESCRIPTION

Extron **Architectural Adapter Plates** are optional mounting plates that fit into designated AAP openings available on many Extron products. AAPs include pass-through connections and active modules as well as device control modules. There are also AAPs available with silk-screened labels for the most common signal types and blank AAPs to fill empty slots.

Custom engraving is available for an additional charge. See http://www.extron.com/engraving or contact your Extron Customer Support Representative.
