

MOBILE LED PROJECTOR ML750

PALM-SIZED PROJECTION POWERHOUSE

-  Incredibly light and small.
Unbelievably powerful and bright
-  PC Free presentations with built-in Office Viewer
-  Present directly from your mobile device – HDMI/MHL connectivity
-  Wireless presentation capability via optional BI-EXTBGN adapter
-  Powerful LED light source means no lamps to replace

Present your best wherever you go with the ultra-compact Optoma ML750 portable LED projector. The power and performance of a full sized projector on the palm of your hand.

Delivering an impressive 700 ANSI lumens and 10,000:1 contrast ratio, with razor sharp focus and magnificent color accuracy. The Optoma ML750 will make your presentations more impactful than ever before.

Designed for traveling professionals, the palm-sized Optoma ML750 weighs less than one pound. Has built-in Media player and Office Viewer for completely PC-Free presentations. HDMI and MHL connectivity for direct from mobile device presentations. Its LED light source is rated to last over 20,000 hours so you can present with confidence. Never a bulb to buy or replace.
